

Two weeks Acupuncture Internship in Beijing, China (Aug. 21st to Sep. 3rd, 2013)

Participants of the course

Oriental medicine practitioners, acupuncturists, herbalists, TCM school students, Western medical doctors, physiotherapists, anesthetists, nurses, and those who are interested in acupuncture and oriental medicine and wish to engage in relevant work of acupuncture and oriental medicine may apply for the course.

Contents of the course

Please refer to the course program.

Features of the course

1. For those who have limited TCM knowledge or clinical experience:

Through learning in the course, participants may get a preliminary understanding of TCM and acupuncture, master some basic knowledge and methods of TCM acupuncture, and perform some clinical practice based on what has been learned. Participants will also learn how to carry out primary treatment on or alleviate symptoms of some cases, as well as to maintain health, under the precondition of ensuring patient's safety, and finally help lay a good foundation for further study.

2. For those who have many years TCM knowledge or certain clinical experiences:

Strengthen and improve clinical skills and gain precious clinical experiences by following reputed clinicians lectures and clinical practice.

Number of participants

10-20 persons

5 participants are requested as a minimum amount to start the course.

Course time and way of training

8:30am-11:30am and 1:30pm-3:30pm, Monday to Friday, Mid-August, 2013.

Clinical observation is conducted in the morning at the hospitals appointed by the training center and lectures in the afternoon at the training center.

Admission procedures

—Registration: visit the website of www.globaltcm.com → click on “Services” → click on “Acupuncture Training in China” download and fill out the application form → confirm and submit the form by email → pay the registration fee in accordance with instruction. Name of the person who has paid successfully will be added into the list of applicants in the course and personal registration result will be noticed by confirm email.

—Payment: Tuition should be made via bank transfer or check. Applicants should send their tuition (\$1,200) to the training center through bank transfer 40 days before the course or drop the check or cash after they arrive at the center.

Registration fee

USD200/person. It is requested to pay while submitting the application. The registration fee is included in the tuition. Those who fail attending the course due to personal reasons, registration fee will be not refunded, however the center may reserve on their behalf in the course for as long as one year. Registration fee (cash) is paid to Dongcheng Li who is North American representative of the World Federation of Acupuncture-Moxibustion Societies (WFAS) and will be submit to WFAS later.

Deadline of Registration

June 15th, 2013

Tuition

USD1200/person (which includes registration fee), It is requested to pay 40 days before the start of the course if you plan to transfer the money through bank. The fee includes clinical observation, interpreter(s) (English), transportation (for hospital observation in case of need), lectures,

certificate and tax. But, international flight, accommodation, airport transfer service and other costs that are not mentioned on the above are not included.

Language used

Language used in the training course is English. If there are more than 5 people in the course who can only take the training in any other language but not English, an interpreter of that language can be arranged free of charge by the center.

Other Expenses

Expenses other than tuition fee for clinical practice & lecture include international flight, accommodation, airport transfer service, meals, city transportation, and domestic and international long-distance telephone calls, traffic from Hotel to Airport as well as medical treatment and life or medical insurance.

The following hotels are recommended by the training center of WFAS.

1. Beijing Xi Zhao Temple Hotel

<http://king-talenthotel.com/en/index.html>

Tel: 86-10-67119999

2. Beijing Jin Qiao Internal Hotel

<http://www.jin-qiao.net/>

Tel: 86-10-67137788

3. Beijing Fei Tian Hotel

<http://www.feitianhotel.com.cn/>

Tel: 86-10-67778000

Special friendly reminder: Beijing Xi Zhao Temple Hotel is very close to the classroom of training center. It has received good reviews from previous students. The shuttle bus from the training center will pick up the students only from this hotel to intern hospital. If you need us reserve the room from this hotel, please free to contact us.

In addition, the training center of WFAS **strongly recommend** everyone should buy life or medical insurance in your country before your trip starts. Otherwise, any accident expense will be at your cost.

How to apply for Chinese Visa

Please contact Embassy and Consulates General of the People's Republic of China in your country

For Embassy and Consulates General of the People's Republic of China in the US, please refer the following link

<http://www.china-embassy.org/eng/visas/hrsq/t943861.htm>

Completion of Course and Certificates

The student who complete the above courses will receive a certificate issued by the Beijing Traditional Medicine Training Center of the World Federation of Acupuncture-Moxibustion Societies (Please see the sample at the end).

All Participants are requested to arrive in Beijing one or two days ahead of the beginning of the course. They must abide by the Chinese laws and the Center's regulations during their study in China. The Center will also make proper arrangement for those who wish to pursue another course of study or make a tour in China, at their own expenses, after they finish their courses.
